Opening a New Office in the U.A.E?

Key Information Technology (KIT) has vast experience in providing IT services to offshore headquartered companies which are in the process of setting up regional offices in U.A.E.

We provide the following products and services:

- Avaya** IP Office, communications solution.
- APC** Power, Cooling & Infrastructure Solutions.
- Microsoft** Security, Advanced Infrastructure, Information worker & Mobility solutions.
- Cisco** Data, Voice, Security solutions.
- Dell** PC's, Servers, Storage solutions.

Apart from above K.I.T through its associate companies and partnerships can offer the following Services.

- Structured Cabling**
- Data Network and Security**
- Voice Systems**
- Printers, Photocopiers**
- Scanning & Document management solutions**
- Access Control**
- CCTV and Audio Visual Requirements**
- Electromechanical**
- Air-conditioning**

Additional value added services include:

- Liaison with Etisalat and Tecom**
- Meeting the Codes of Practice Set by DIFC and Other Free Zones**

We work closely with the interior design and fit out contractors to ensure the smooth opening of the new office. As a result our clients have to deal with a single organization rather than separate designers and sub-contractors.
